What's your digital footprint?

Which social media sites and apps do you use the most?

Write your top five in the list below and then fill in the footprints according to the rating scale.

How much of a footprint do you leave on each site/app?

Digital Footprint Rating Scale	
* You post on here all the time, you have tons of	f friends/followers, and you don't filter yourselfever!
* You post on here often, you have a good number about what you post.	r of friends/followers, and you're sometimes careful
* You post here sometimes, you have some frier about what you post.	nds/followers, and you are usually careful
* You are rarely on here, you have very few friend what you post.	ds/followers, and you are always careful about
You can't even remember the last time you us	sed this.
